Dear Member

APPOINTMENT OF EXTERNAL AUDITORS

At the Annual General Meeting (AGM) held on 24 June 2026, members of BP Medical Aid Society resolved not to reappoint Forvis Mazars as the Society's external auditors for the forthcoming financial year.

Following the AGM, the Board of Trustees, supported by the Audit and Risk Committee, undertook a formal tender process to identify and appoint a suitably qualified external audit firm to conduct the Society's statutory audit.

We are pleased to inform members that, following a comprehensive evaluation of all submissions against predetermined, objective criteria, and in line with the Rules of the Society, the Board of Trustees has appointed PricewaterhouseCoopers Incorporated (PwC) as the Society's external auditors for the 2026 financial year. PwC has formally accepted the appointment, which takes effect from the 2026 financial year.

The Board is satisfied that this appointment supports the Society's commitment to strong governance, accountability and financial oversight.

Kind regards

Janine Daniels
